2. Participants
 - You can delete participants

Create Project

The image shows a 'CREATE PROJECT' modal form overlaid on a dark blue background. The modal has a light blue header with the title 'CREATE PROJECT' in yellow. Below the title are five input fields, each with a yellow border: 'Title *', 'Description *', 'Git Repository URL', 'Industry' (a dropdown menu with 'Art' selected), and 'Tags'. A vertical scrollbar is visible on the right side of the modal. In the top right corner of the background, there is a small 'Industry' dropdown menu with 'Art' selected. On the left side of the background, there are some blurred text elements like 'ball gps ap' and 'x mmo rp' and some small icons.
